Designers & Makers of Fine Furniture

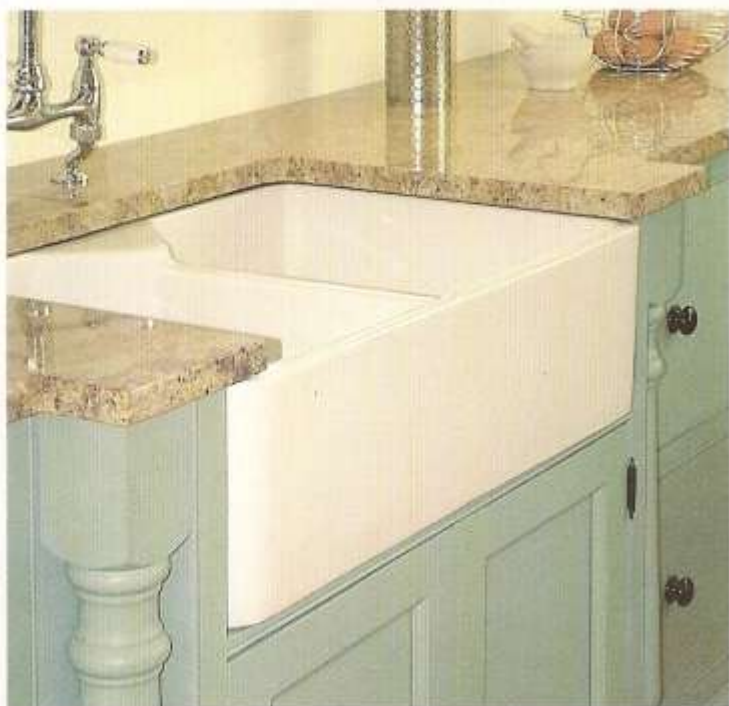

High quality materials and skilled
craftsmanship help make *The Kitchen*
become the heart of your home.

The country house
style of *The Kitchen*
exudes an air of
warmth and comfort.

Cabinets have been elegantly crafted to make *The Kitchen* an environment that can be lived in and cooked in comfortably.

Traditional
furniture
without the
traditional
price tag.

Storage heaven,
where everything
in *The Kitchen*
has its place.

The Kitchen is available with over 50 cabinet sizes, soft closing drawers and a large selection of handles and pull out fittings.

The new oak range, a
traditional kitchen with
a contemporary feel.

The Kitchen
cabinets are hand
made by craftsmen
using kiln-dried
timber harvested
from legitimate,
well-managed
European forests.

The Kitchen has been designed to blend perfectly with our freestanding furniture enabling you to achieve an individual and charming country look.
